TSX-V: MJX

**ALBERT MINING INC. (FORMERLY KNOWN AS MAJESCOR RESOURCES INC.)
ANNOUNCES THE RESULTS
OF ITS ANNUAL AND SPECIAL MEETING**

Ottawa, Ontario, July 19, 2017 – Albert Mining Inc. (“Albert” or the “Company”) (TSX-V: MJX) is pleased to announce the re-appointments of Mr. André Audet, Mr. Michel Fontaine, and Mr. Jacques Letendre as directors of Albert. The Company also welcomes a new director to its Board, Mr. André Larente. Mr. Larente is Chief Executive Officer of Diagnos. He has previously held leading management positions with companies such as Siemens, Syscan International, Newbridge Networks, Legent, Cognos, Tandem Computers and Honeywell Information Systems. Mr. Larente has built several AI based applications at Diagnos such as: Computer based analysis of amateur composers’ songs, a FOREX application covering eight currencies, a Computer Assisted Resource Detection System for the natural resource sector and Computer Assisted Retina Analysis system.

The shareholders have approved the appointment of the firm of Devisser Gray LLP as auditors of the Company and also approved the amendment to its stock option plan.

Since 1996, for 21 years, the Company has been known as Majescor Resources Inc., however, at the Annual and Special Meeting of July 14th, 2017, its shareholders have approved to change Majescor’s name to Albert Mining Inc. (reference to news release June 20, 2017) The common shares of the Company will begin trading under the new name on the TSX Venture Exchange (“**TSX-V**”) upon acceptance by the TSX-V. The Company has also applied for a new CUSIP number and ticker symbol. In the interim, the Company will continue to trade under the symbol “MJX” on the TSX-V until further notice.

About Albert Mining Inc.

Albert is a junior mining exploration company with an extensive portfolio of gold and diamond properties in Quebec. Albert also recently acquired assets from DIAGNOS Inc.’s mining division, including the Computer Aided Resources Detection System (“CARDS”).
